In light of the earlier filing of the administrative record than was contemplated in the Court's Order of November 26, 2024 (Docket # 17), the Court adjusts the parties briefing schedule as follows: Plaintiff's brief is due January 27, 2025. Defendant's opposition is due March 26, 2025. Plaintiff's reply is due April 9, 2025. The provisions of Docket #13 are otherwise in effect. There will be no extension of these deadlines absent extraordinary circumstances and a showing that includes a complete explanation of all efforts made to comply with the deadline at issue.
